DREAMS START AT THE LIBRARY, MAKE A WISH!

A dream can start with a book, a literacy class, a lecture or access to a computer. Often it starts with asking a librarian a question...

"Where would I find . . . and could you help me?"

Our staff is fortunate to have the opportunity to help people in our community pursue their dreams every day. Our dream is to make your library an even better place for you, your children and grandchildren.

We've created a new online Library WishList. Browse through colorful pages filled with books and other items we need for your library. It's fun!

Library WishList

Choose an item you'd like to see at the library, make a contribution towards the purchase (no amount is too small), or sponsor an item in memory of a loved one. When the "wish" is completed we'll let you know, and the next time you're in the library you can see the Wish you helped make come true.

You'll find a link to the wish list on the Library's homepage, **www.mgpl.org**, and can help make a Wish come true!

Thank you so very much.

Pam Leffler
Library Director

E-MAGAZINES NOW AVAILABLE

Check out e-magazines from the library? Yes you can!

Looking for the most current *US Weekly*? Need a recipe from the *Food Network Magazine* on newsstands now? The new MGPL e-magazine collection is the answer you've been looking for.

Morton Grove Public Library is pleased to announce that the new online service Zinio is now available to Morton Grove library card-holders. Zinio allows patrons to download e-magazines to a computer or a wide variety of mobile devices.

E-magazines are just like the print magazines with the added advantage of unlimited, anytime access and no due dates or limits on how many people can read a magazine at the same time. In addition, e-magazines allow patrons to magnify and print pages, search within an issue, and link to articles from the table of contents. Some e-magazines also come with special features such as video or audio content. E-magazines can be read on PCs and Macs, as well as through mobile apps for iPhone, iPad, Android, Kindle Fire, and Blackberry Playbook.

MGPL's collection contains many popular titles, such as *Women's Health*, *Seventeen*, and *Newsweek*, as well as special-interest magazines, like *Horse & Rider*, *Inked*, and *Robb Report*. See the entire list on the **Magazines and Newspapers** page under the **Read, Listen and View** tab at **www.mgpl.org**, where you will also find a "how-to guide" and video.

For questions or for additional information, call Adult Services at 847-929-5101.
